· v1.0 · September 2026

POSITIONING

Hands-on, small-group boat handling on Lake Texoma taught by NSBC-certified instructors who are also USCG captains. Four 3-hour modules to certification, private instruction on your own boat, and the Boat Club course — from the Lighthouse Marina dock.

Audience. New boat owners, Big Water Boat Club members, renters who want confidence, spouses/teens learning to drive the family boat, experienced boaters polishing docking.

VOICE

A patient instructor who has seen every docking mistake and isn't judging. Clear, structured, confidence-building. Credentials stated once, then it's about you.

Do

- Speak to the fear directly: docking in a crosswind, launching at a busy ramp.
- Be structured: modules, hours, class size, price.
- Credentials in one line: 'NSBC-certified instructors, USCG captains'.
- Tie to the family: Boat Club members train free; TAP Navigator saves 10%.

PERSONALITY

- Encouraging
- Competent
- Safety-first
- Approachable
- Lightly humorous

Shared platform (2023 campaign): Fun, Friendly, Family, Exciting, Enjoyable, Personable, Accommodating, Experienced, Safe.

USP: *The Best Lake Experience Close to Home.* Tagline: **Your course to on-water confidence**

Don't

- Lecture or use jargon without translating (S.C.A.N. → say what it is).
- Fear-based selling.
- Claim to be the Texas boater-education card course (it isn't).

Words we use: confidence, hands-on, at the helm, small group, your boat, certified, captain, module

LOGO USAGE

- Primary: 'BoaterWise' + tagline lockup. Tagline may be dropped under 200 px.
- White-except-A version for dark headers (exists).
- Captain's Crest emblem is for certificates, instructor apparel and the 'certified' badge — not a substitute logo.
- Remove `noindex` on the site; the brand is invisible to search today.

PHOTOGRAPHY

- Student at the helm, instructor pointing, docking sequences, hands on the wheel; pontoons at the Lighthouse dock.
- Bright, clean, candid; show smiles and life jackets. No sunset glamour — this is daytime learning.

KEY MESSAGES

- \$199 per 3-hour module, 2–4 students.
- Instructors are NSBC certified and USCG captains.
- Complete all four modules for your Certificate of Completion.
- Private instruction on your own boat, up to 32 feet.
