

Lighthouse Resort & Marina

Brand style guide & voice · Resort · Marina · Fuel dock · Rentals · Events · lighthouseresort.com · Texoma Destinations family · v1.0 · September 2026

POSITIONING

The full-service, all-in-one lake resort: cabins for 1–16, waterfront RV sites, a working marina with the lake's year-round fuel dock, the newest rental fleet, covered slips, and the Lighthouse Lodge — all in Little Mineral near the dam, where the stripers are.

Audience. Multi-generation families, anglers and guide clients, boat owners (slips), reunion and wedding planners, weekend renters from DFW.

VOICE

The friendly harbormaster: knows boats, knows kids, keeps things moving. Proud of history without being nostalgic. Practical and upbeat.

Do

- Talk in terms of a day: 'rent a tritoon at 9, fish till dark, walk to the cruise'.
- Name the heritage once per page: Preston Fishing Camp, 1944, the eight original Corps cabins.
- Be precise with marina facts — slip sizes, lease terms, fuel brand.

PERSONALITY

- Energetic
- Dependable
- Family-friendly
- Heritage (since the 1940s)
- Busy in a good way

Shared platform (2023 campaign): Fun, Friendly, Family, Exciting, Enjoyable, Personable, Accommodating, Experienced, Safe.

USP: *The Best Lake Experience Close to Home.* Tagline: **Lake Texoma's Family Fun Spot**

Don't

- Call it 'luxury' — it's comfortable, clean and fun.
- Bury the marina behind the resort or vice-versa; they're one place.
- Promise weather, water levels or fish.

- Sell the convenience: everything is walkable.

Words we use: family fun, marina, fuel dock, covered slips, striper, walk to, Little Mineral, year-round

Words we avoid: luxury, resort-style, exclusive, getaway

TYPOGRAPHY

Display	Lora (serif, 600–700)
Body	Source Sans 3
Accent	—

The wordmark is a light humanist serif; Lora echoes it on the web. Serif headlines + sans body reads established and trustworthy.

LOGO USAGE

- Lockup: circled lighthouse mark + 'Lighthouse' wordmark + 'RESORT & MARINA'. Mark-only version for small sizes.
- Always on a white panel when over photography (the site header uses a white chip on navy).
- Never stretch, never drop 'RESORT & MARINA' in first use; 'Lighthouse' alone is fine in running text.
- Red stripes are part of the mark — don't recolor.

PHOTOGRAPHY

- Marina activity: boats fueling, tritoons leaving the dock, kids on the pier, the lighthouse at golden hour.
- Aerials of Little Mineral showing cabins + slips together.
- Avoid empty parking lots and off-season grey.

KEY MESSAGES

- 34 cabins, 1–16 guests, one-room to six-bedroom.
- Year-round fuel dock and the newest rental fleet on the lake.
- Month-to-month or prepaid slips — the only marina that offers both.

- Cruises leave from our dock.
